Dear Sir/Madam,

I am the Ranger at Camp Seminole. I run and operate a 120 acre camp for the Boy Scouts of America. This camp benefits the South Florida area youths and adults. This facility has tent camping, canoeing, high and low C.O.P.E. courses, an archery range, an amphitheatre, a nature lodge, and pavilions. This camp is constantly in use to serve the community.

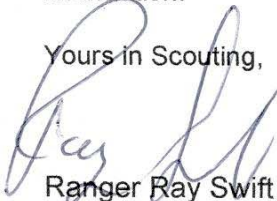

As the Ranger of the camp it is imperative that I have communication at all times with all the instructors and adults that are on camp. It is a safety issue. If a person is injured at the back of the camp and I am located at the front of the camp then I am able to obtain help immediately.

In the past I have had Motorola radios to communicate with on camp. However, the radios over time and constant use have become inoperable.

It has come to my attention that you have eight Motorola radios along with chargers that are no longer in service with the Town of Davie.

If you could donate the radios and chargers to Camp Seminole of the Boy Scouts of America it would be greatly appreciated. This donation could serve you in that it is a tax deduction because we are a non-for-profit organization. If this transaction is possible please contact me at the above contact information.

Yours in Scouting,

Ranger Ray Swift
